We are beginning this semester with two new interns and a new student assistant. They are available to assist you with your academic and career goals, and any other issues that present themselves. During these workshops, we will help maximize your study skills to achieve the best grades possible.

Students seeking meaningful employment will benefit from the career resources. We help in composing more powerful resumes, gaining effective interview skills, and facilitating your job search.

We are committed to helping the BSS students succeed in their academic and career endeavors. So, come visit us and join the vibrant atmosphere of BSS Student Resource Center!

And lastly, the College of BSS Students of Color organization will be meeting with new members on Tuesday, September 4th and Wednesday, September 5th from 11 – 1 in the Student Resource Center. See you then!
