

# Pacific Conference for Development Economics

Saturday, March 14, 2009

San Francisco State University

## Call for Papers and Registration

If you would like to present a paper or are on a panel (that you or a colleague has organized), please fill out the registration form and send it to the address given on the form. You can submit an abstract via email, but note that you will not be officially included on the program until we receive your registration form and check! **The deadline for paper or panel submission is February 1, 2009.** A committee of faculty associated with PACDEV will evaluate paper and panel proposals on a first-come first-serve basis and notify final acceptances by February 10, 2009.

The registration fee is \$20 for students and \$40 for faculty and non-students. The fee covers attendance to the continental breakfast, conference sessions, as well as the afternoon luncheon and panel discussion. **Please send check made out to "San Francisco State University"** along with the completed registration form.

In order to maintain an intimate atmosphere for discussion during sessions, space at the conference is limited (to 100 participants). If you do not plan to present a paper but would like to attend the conference anyway, please send in your registration form and check by February 15, 2009. After February 15, 2009, please email [anoshua@sfsu.edu](mailto:anoshua@sfsu.edu) to find out if space is still available before sending registration form and check.
