

Green Collar Business Internship

Internship may include a focus in:

- Business Development
- Creative Marketing
- Research Methods
- Environmental, Health & Community Issues

Duties may include:

- Networking with Environmental Groups
- Tracking Data in an Organized Fashion
- Project management
- Phone/Internet and research

This is a startup company working with successful entrepreneurs. The successful applications will learn a tremendous amount about starting companies. You must be a self starter and will be a jack or jenny of all traits.

If you plan to be an entrepreneur, then this is the internship for you.

Qualifications:

- Current undergraduate or graduate State college student
- Majors from any college or department may apply
- Ability to listen and follow directions

Interns will be required to:

- Commit 10-12 hours per week for one semester (based on approved schedule)
- Complete interview process
- Complete and submit time sheets
- Develop a plan that lists objectives and goals
- Monitor/report progress
- Complete evaluation at end of internship

How to Apply:

To apply for an internship, submit a letter of interest and qualifications, a resume, and unofficial transcript to swilson@saferbuilding.com or fax to 510-291-2267.

Please let us know which of the following skills below you have (as well as others not listed) ...

- Ability to listen and follow directions
- Written or Oral communication skills
- Strong computer skills
- Mathematically Oriented or Statistical experience
- Internet research skills

The project will be working on the Toxic Trespass Maps: <http://maps.saferbuilding.com>
